Professional Summary

Courteous and enthusiastic, with great problem-solving as well as communication skills. I am a team player who is interested in IT and everything in its orbit. I have a very sound experience in front-end development. Believes in learning and exploring. I recently won the **HULT PRIZE** onCampus round and working on the idea to make it a reality with a 3-man team. I am looking for a company willing to take me as an intern, In return, I would offer my full commitment and be a friendly, valuable asset to the team.

Employment history

Web Development, Verzeo. Bangalore, Karnataka

Jun. 2020 – Aug. 2020

Designed, build, or maintain websites, using scripting languages. For 2 months applied my understanding of HTML5, CSS3, JavaScript(ES6) and JQuery to make beautiful websites for my employee with my team. My role was mainly focused on creating the UI of the website.
